Stijlvol presenteren in een moderne werkomgeving

IMAGINE IT Smart Pockets is het meest flexibele systeem voor het presenteren van sfeerbeelden, documenten en productfoto's. Laat je fantasie de vrije loop en varieer met indeling en formaat. De dubbelzijdige Smart Pockets zijn er in een A3 en A4 uitvoering en de rails zijn in hoogte verstelbaar waardoor je direct een ander effect krijgt. Maar beter nog: het geheel ziet er prachtig uit. Strak, overzichtelijk en modern. Naast de praktische overweging is IMAGINE IT Smart Pockets een bijzonder esthetische keuze die samenvloeit met interieurontwerp en -design. De dubbelzijdige Smart Pockets kunnen eenvoudig in de rail geklikt worden en hebben een subtiele inkeping aan de zijkant waarmee je de inhoud makkelijk vervangt. Kies voor een A3 of A4 formaat of combineer beide voor een speelser resultaat.
